

LASER Focused Webinar Series Debuts Nov. 3

Dear Colleague,

LASER FOCUSED

LASER PULSE is launching a webinar series, LASER Focused, to explore critical topics in international development and research translation, and provide an interactive platform with Network members. Join us at the opening session of the series, titled ***Maximizing Your LASER PULSE Experience*** to learn more about how LASER PULSE is applying Embedded Research Translation, new ways to get involved with the LASER PULSE Network moving forward, and what to expect from future sessions of the

LASER Focused Series.

RSVP to the event for November 3rd, 9AM EST/1PM GMT with the link below.
